Item 8.01 Other Events.

As previously reported, on June 1, 2020, Aduro Biotech, Inc. (“Aduro” or the “Company”), Aspire Merger Sub, Inc., a Delaware corporation and a wholly owned subsidiary of the Company (“Merger Sub”), and Chinook Therapeutics U.S., Inc., a Delaware corporation (“Chinook”), entered into an Agreement and Plan of Merger and Reorganization (the “Merger Agreement”), as amended by Amendment No. 1 to Merger Agreement on August 17, 2020, pursuant to which, among other matters, and subject to the satisfaction or waiver of the conditions set forth in the Merger Agreement, as amended, Merger Sub will merge with and into Chinook, with Chinook continuing as a wholly owned subsidiary of the Company and the surviving corporation of the merger.

In connection with the proposed merger, the Company filed a registration statement on Form S-4 (No. 333- 239989), originally filed on July 22, 2020 (the “Proxy Statement/Prospectus”). The registration statement was declared effective by the Securities and Exchange Commission (the “SEC”) on August 26, 2020, and the Company commenced mailing the Proxy Statement/Prospectus on or about August 28, 2020.

On August 13, 2020, a purported Aduro stockholder sent a demand letter to Aduro (the “Demand Letter”), generally alleging that the Proxy Statement/Prospectus omitted material information. Aduro believes that the disclosure allegations contained in the Demand Letter are entirely without merit and that no further disclosure is required by applicable rule, statute, regulation or law beyond that already contained in the Proxy Statement/Prospectus. However, to avoid the risk that the Demand Letter may delay or otherwise adversely affect the consummation of the merger and to minimize the risk that a formal complaint may be filed against Aduro, Aduro has determined that it will voluntarily make certain supplemental disclosures in the Proxy Statement/Prospectus related to the proposed merger set forth below (the “Supplemental Disclosures”). Nothing in this Current Report on Form 8-K shall be deemed an admission of the legal necessity or materiality under applicable laws of any of the Supplemental Disclosures set forth herein. To the contrary, the Company specifically denies all allegations in the Demand Letter that any additional disclosure was or is required.

These supplemental disclosures will not affect the merger consideration to be paid to the Company’s stockholders in connection with the merger or the timing of the Company’s virtual special meeting of stockholders scheduled to be held online via live webcast on October 1, 2020 at 9:00 a.m., Pacific Daylight Time, at www.virtualshareholdermeeting.com/ADRO2020SM (the “Special Meeting”). **The Board continues to recommend that you vote “FOR” the proposal to approve the issuance of shares of common stock of the Company to stockholders of Chinook pursuant to the terms of the Merger Agreement, as amended, and “FOR” the other proposals being considered at the Special Meeting.**

Supplemental Disclosures to the Proxy Statement/Prospectus in Connection with the Demand Letter

The disclosure in the thirtieth paragraph under the heading “The Merger—Background of the Merger” is hereby amended as follows (with the new text in underline):

Of the 28 companies identified earlier in the process, six signed customary forms of confidentiality agreements with the company and received further information on Aduro. The confidentiality agreements all contained standstill provisions that terminated upon signing of the Merger Agreement. Five companies ultimately expressed interest in exploring a potential transaction with Aduro and subsequently submitted non-binding preliminary merger proposals to Aduro. Chinook, based on publicly available information pertaining to Aduro, submitted an initial non-binding preliminary proposal on February 28, 2020. Chinook’s proposal contemplated that Chinook’s equityholders would hold 65% of the outstanding equity interests of the combined company immediately following the completion of the merger, and implied a value of approximately \$170 million for Aduro and \$315 million for Chinook. Furthermore, the Chinook proposal provided that designees to the combined company’s board of directors would be proportional to the proposed equity split between the two companies’ stockholder bases. This initial proposal also stipulated that Chinook would receive \$14.5 million in new preferred stock financing prior to the completion of the merger and that Aduro would deliver \$145 million of net available cash immediately prior to the completion of the merger. Chinook’s proposal also contemplated the continuation of Aduro’s BION-1301 program, but ascribed no value to Aduro’s non-renal assets. In fact, given the focus of Chinook on building a renal franchise, members of Chinook’s management team expressed to representatives of SVB Leerink and members of the transaction committee that Chinook was concerned that the continuation of Aduro’s non-renal programs, including STING, would create a conflict of priorities. Accordingly, Chinook indicated that it was open to Aduro seeking to identify an alternative development pathway for Aduro’s non-renal assets.

The disclosure in the last paragraph under the heading “The Merger—Background of the Merger” is hereby amended by adding the following disclosure after the last paragraph:

Other than as described in this section, no material discussions occurred regarding future employment and directorship of the Company’s directors and officers, respectively. In addition, none of the current officers of Aduro are intending to remain with Aduro beyond December 31, 2020. For a discussion of the expected officers and directors of the combined company following the closing of the merger see “*Management Following the Merger.*”

The disclosure under the heading “The Merger—Opinion of Aduro’s Financial Advisor—Aduro Stand-Alone Valuation Analyses—Aduro Discounted Wall Street Research Analyst Price Targets” is hereby amended by adding the following disclosure after the first paragraph:

SVB Leerink noted for the information of the Aduro board one-year forward stock price targets for the Aduro common stock as reflected in three Wall Street research analysts’ reports that were publicly available as of May 29, 2020.

The one-year forward stock price targets reviewed were as follows:

Date of Rating	Undiscounted Stock Price Target	
May 5, 2020	\$ 10	.00
May 20, 2020	7	.00
May 5, 2020	4	.00

The price targets were then discounted from the one-year forward date of the last published report to present value as of September 30, 2020 using a discount rate of 10.0%. This analysis resulted in an implied per share equity value for the Aduro common stock of approximately \$3.78 to \$9.45 per share.

The disclosure in the third paragraph under the heading “The Merger—Opinion of Aduro’s Financial Advisor—General” is hereby amended as follows (with new text in underline):

SVB Leerink LLC is a full-service securities firm engaged in securities trading and brokerage activities as well as investment banking and financial advisory services. SVB Leerink has provided certain investment banking services to Aduro from time to time, for which it has received compensation. SVB Leerink previously served as a financial advisor to Aduro in its 2014 private placement and as a joint bookrunner in Aduro’s 2015 initial public offering. SVB Leerink received aggregate fees of approximately \$5.0 million in connection with those representations. In the ordinary course of business, SVB Leerink and its affiliates may, in the future, provide commercial and investment banking services to Aduro, Chinook or their respective affiliates and would expect to receive customary fees for the rendering of such services. In the ordinary course of their trading and brokerage activities, SVB Leerink or its affiliates have in the past and may in the future hold positions, for their own account or the accounts of their customers, in equity, debt or other securities of Aduro, Chinook or their respective affiliates.
